## Our Round Earth

PART 1

or is it

STRAITWAYTRUTH.COM

Matthew 18:3 -4

*And said, Verily I say unto you,  
Except ye be converted,  
and become as little children,  
ye shall not enter into  
the kingdom of heaven.  
Whosoever therefore shall  
humble himself as this little child,  
the same is greatest in  
the kingdom of heaven.*

Luke 11:9

*And I say unto you, Ask,  
and it shall be given you; seek,  
and ye shall find; knock,  
and it shall be opened unto you.*

Proverbs 18:13

*He that answereth a matter  
before he heareth it,  
it is folly and shame unto him.*

2 Timothy 2:15

*Study to shew thyself approved unto YHWH,  
a workman that needeth not to be ashamed,  
rightly dividing the word of truth.*

Genesis 1:2

*And the earth came to be formless and empty,  
and darkness was on the face of the deep.  
And the Spirit of YHWH was moving on the face of the waters*

## The Truth

In seeking His Truth, we must clear ourselves of the doctrines that have been laid upon us all.

We must start as a child to seek His pure Truth regardless of what we have always "known" to be true.

We pray that this newsletter stimulates and edifies the whole body and that you keep us in prayer for finding and sharing this Truth as we continue with this research.

We are to follow Him in spirit and in truth.

Amein

# Our Round Earth

Part 1 by Brother Steve & Sister Wenda

Everyone who does personal research is prompted by some event or is motivated somehow to investigate a topic.

We started to look into this when we began to realize the vastness of deception in this world.

We have been lied to about history, politics, the monetary system, religion, and almost every area you can think of.

Could it be possible that we have been lied to for the last 500 years about our "solar system"?

Some of the verses in our Bible did not seem to line up with the "global" solar system, so we decided to do some investigation into this topic.

## What is the true shape of our earth?

The bible indicates that it is round. But is that round like a ball or round like a pancake?

We are restricted from travel to the far, far south and from rising high enough ourselves to see with our own eyes the actual shape of the earth, but many researchers in the past have provided possible models over the centuries that fit reality better than the traditional spherical earth model to which we are accustomed.

This document is intended to kick start our minds into considering an alternate concept of our surroundings.

There has actually never been any hard evidence that proves that the earth is a sphere. In fact, there remains a \$5000 reward for anyone who can prove it.

Above: Wilbur Glenn Voliva 's prize offer in 'Modern Mechanics and Inventors' 1931

The images we see from NASA in photos and videos are mostly drawings, paintings and photoshopped images. There are some real photographs of what appears to be men on the moon, but it seems unlikely that it is a real moon, and that we may be looking at a studio shoot. If you've ever watched 'A Funny Thing Happened on the Way to the Moon' or 'Astronauts Gone Wild' by Bart Sibrel, you'll know what we mean.

We really do not know for a proven fact what the exact shape is, whether it is perfectly flat, or flattish with some bulges, or semi-round, but we will show sound evidence that shows it is not the global model we have been trained to believe in.

The evidence points towards a flat model, and there are several flat models that have been proposed by various sources. There is even an unusual model that shows a concave earth, where the sun is in the centre and the earth is an inverted ball around the sun!

For now we will be mainly referring to the one used on the United Nations logo, also called the Zetetic model in this document, since it seems most likely to us at this time.

\$5,000 for Proving the Earth is a Globe (Oct, 1931): <http://blog.modernmechanix.com/5000-for-proving-the-earth-is-a-globe>

# Brief History

Most people, up till about 500 years ago, believed it was round like a pancake (flat), and the sun and moon revolved around it.

Then, a scientist named Copernicus presented the heliocentric model, where the planets revolve around the sun which changed the minds of mostly the whole world. Make note

that Copernicus is recorded as being a Free Mason.

So now, most believe that the earth is spherical in a universe of planets and stars because we are taught this in schools, and exposed to the idea on a daily basis through the media.

But in these last several decades, we have been given planes, rockets,

high powered cameras and telescopes, internet and social media to analyze these theories and collaborate on our research.

In this newsletter, we present some ideas and contradictions which seem to indicate that the "o-fishy-al" story of our earth being a sphere rotating around the sun, is not correct.

## Reasons for Deception

Why would anyone lie to us about the shape of our solar system? It seems unimaginable.

Here are some reasons:

### Oppression

It is easier to convince people to give up their rights when they think of themselves as insignificant specks in a gigantic universe full of meteors, rival planets and aliens. Maybe there is even something big planned akin to Orson Welles' 1938 'War of the Worlds'.

### Insurance

It is easier for insurance companies to escape payouts. For example, if the public believe a solar flare from a giant sun can knock out power grids and erase data, and that the insurance companies are not responsible to pay out for natural disasters, no one will expect any compensation for damages allegedly caused by such an event.

### Funding

It certainly makes it easier to obtain massive funding for space exploration.

### Sun god worship

For those who worship the sun god instead of our true Creator, the ubiquitous belief that we all revolve around a gigantic sun is a sure way to honour that sun god.

### Discredit the bible

It is also a way to discredit the book given to us by our Creator which consistently confirms a nonspherical earth, even in the Apocryphal books.

# WHAT THE BIBLE SAYS:

## Earth established before the sun

There are many verses that describe the shape of our surroundings, and Genesis tells us the order right from the start. Read these lines very carefully. You will notice that the sun was not created till after the heaven, the earth and the waters.

### First Day – earth without form, light amidst the darkness

#### **Genesis 1:1-5**

*In the beginning YHWH created the heaven and the earth.*

*And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of YHWH moved upon the face of the waters.*

*And YHWH said, Let there be light: and there was light.*

*And YHWH saw the light, that it was good: and God divided the light from the darkness.*

*And YHWH called the light Day, and the darkness he called Night. And the evening and the morning were the first day.*

### Second Day – firmament to divide the waters, above and below

#### **Genesis 1:6-8**

*And YHWH said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.*

*And YHWH made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so.*

*And YHWH called the firmament Heaven. And the evening and the morning were the second day.*

### Third Day – the seas, dry land and vegetation

#### **Genesis 1:9-13**

*And YHWH said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.*

*And YHWH called the dry land Earth; and the gathering together of the waters called he Seas: and YHWH saw that it was good.*

*And YHWH said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.*

*And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and YHWH saw that it was good.*

*And the evening and the morning were the third day.*

### Fourth Day – sun, moon and stars set into the firmament

#### **Genesis 1:14-19**

*And YHWH said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:*

*And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.*

*And YHWH made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.*

*And YHWH set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and YHWH saw that it was good.*

*And the evening and the morning were the fourth day*

## The earth is a circle

Isaiah describes the shape of the earth to us in 40:22. He describes it as a two dimensional circle. If he had wanted us to know it was a round sphere or a ball, he would have used the word ball instead of circle.

#### **Isaiah 40:21-22**

*Have ye not known? have ye not heard? hath it not been told you from the beginning? have ye not understood from the foundations of the earth? It is he that sitteth upon **the circle of the earth**, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in:*

And here is where he uses the word "ball":

#### **Isaiah 22:18**

*He will surely violently turn and toss you like a **ball***

Here are a few more verses describing YHWH's use of a compass, and instrument used by drafters to draw a circle on flat paper:

A circle is drawn with a compass

#### **Proverbs 8:27**

*When he prepared the heavens, I was there: when he set a **compass (H2329)** upon the face of the depth:*

#### **Job 26:10**

*He hath **compassed** the waters with bounds, until the day and night come to an end.*

**Compass (H2329)** khoog  
From H2328; a circle:  
circle, circuit, compassive

**Compassed (H2328)** khoog:  
A primitive root (compare H2287); to describe a circle:  
compassive

# The earth has ends

Spheres do not have ends.

**Job 38:13** That it might take hold of the **ends of the earth**, that the wicked might be shaken out of it?

**Job 37:3** He directeth it under the whole heaven, and his lightning unto the **ends of the earth**.

**Jeremiah 16:19** O Lord, my strength, and my fortress, and my refuge in the day of affliction, the Gentiles shall come unto thee from the **ends of the earth**, and shall say, Surely our fathers have inherited lies, vanity, and things wherein there is no profit.

**Daniel 4:11** The tree grew, and was strong, and the height thereof reached unto heaven, and the sight thereof to the **ends of all the earth**:

**Zechariah 9:10** And I will cut off the chariot from Ephraim, and the horse from Jerusalem, and the battle bow shall be cut off: and he shall speak peace unto the heathen: and his dominion shall be from sea even to sea, and from the river even to the **ends of the earth**.

# All of the earth may be seen from above

If the earth was a sphere, half of it would be out of view.

**Matthew 4:8** Again, the devil taketh him up into an exceeding high mountain, and **sheweth him all the kingdoms of the world**, and the glory of them;

**Matthew 24:30** And then shall appear the sign of the Son of man in heaven: and then shall **all the tribes** of the earth mourn, and they shall see the Son of man coming in the **clouds** of heaven with power and great glory.

**Revelation 1:7** Behold, he cometh with clouds; and **every eye shall see him**, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

# Earth does not move

"world" means "earth".

**1 Chronicles 16:30** Fear before him, all the earth: the **world (H8398)** also shall be **stable**, that it be not moved.

**Psalms 93:1** YHWH reigneth, he is clothed with majesty; YHWH is clothed with strength, wherewith he hath girded himself: the **world (H8398)** also is stablished, that it **cannot be moved**.

**Psalms 96:10** Say among the heathen that YHWH reigneth: the **world (H8398)** also shall be established that it **shall not be moved**: he shall judge the people righteously.

**World H8398** From **H2986**; the **earth** (as moist and therefore inhabited)

# The earth has foundations

A spinning sphere in space would have no foundations.

**2 Samuel 22:16** And the channels of the sea appeared, the **foundations of the world** were discovered, at the rebuking of YHWH, at the blast of the breath of his nostrils.

**Psalms 18:15** Then the channels of waters were seen, and the **foundations of the world** were discovered at thy rebuke, O YHWH, at the blast of the breath of thy nostrils.

**Psalms 102:25** Of old hast thou laid the **foundation of the earth**: and the heavens are the work of thy hands.

**Proverbs 8:29** When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the **foundation of the earth**:

**Isaiah 48:13** Mine hand also hath laid the **foundation of the earth**, and my right hand hath spanned the heavens: when I call unto them, they stand up together.

# The sun and moon both move

These verses indicate that normally, the sun and moon are both moving.

**Joshua 10:12-13** Then spake Joshua to YHWH in the day when YHWH delivered up the Amorites before the children of Israel, and he said in the sight of Israel, **Sun, stand thou still** upon Gibeon; **and thou, Moon**, in the valley of Ajalon. And the **sun stood still**, and the **moon stayed**, until the people had avenged themselves upon their enemies. Is not this written in the book of Jasher? So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

**Habakkuk 3:11** The **sun and moon stood still** in their habitation: at the light of thine arrows they went, and at the shining of thy glittering spear.

# The sun has a circuit

A circuit is a path or trip around something.

**Psalms 19:4-6** Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, Which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his **circuit** unto the ends of it: and there is nothing hid from the heat thereof.

**Esdrahs 4:34** The earth is vast, and heaven is high, and the sun is swift in its course, for it makes the **circuit (H8622)** of the heavens and returns to its place in one day."

**circuit (H8622)** From **H5362**; a revolution, that is, (of the sun) course, (of time) lapse: circuit, come about, end

# A firmament/Vault/Tent covers the earth

**Proverbs 8:27-29** (Holy Scriptures)

When He prepared the heavens, I was there,  
When **He decreed a vault on the face of the deep**,  
“When He set the clouds above,  
When He made the fountains of the deep strong,  
When He gave to the sea its limit, So that the waters would not transgress His command,  
When He decreed the foundations of the earth,

**Isaiah 40:22** It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and **spreadeth them out as a tent** to dwell in:

**2 Corinthians 5:1** (Holy Scriptures)

For we know that if **the tent of our earthly house**, is destroyed, we have a building from Elohim, a house not made with hands, everlasting in the heavens.

**Psalms 150:1** Praise ye YHWH.

Praise YHWH in his sanctuary: praise him in the **firmament** of his power.

**Firmament (7549):**

raqiya', raw-kee'-ah; from **H7554**; prop. an expanse, i.e. the **firmament** or (apparently) visible arch of the sky: firmament

And the earth was without form, and void;  
and darkness was upon the face of the deep.  
And the Spirit of God moved upon the face of the waters.

Genesis 1:2

## The stars, items from Jupiter are able to fall to our Earth.

**Daniel 8:10** And it waxed great, even to the host of heaven; and it cast down some of the host and of the **stars to the ground**, and stamped upon them.

**Matthew 24:29** Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the **stars shall fall from heaven**, and the powers of the heavens shall be shaken:

**Mark 13:25** And the **stars of heaven shall fall**, and the powers that are in heaven shall be shaken.

**Revelation 6:13** And the **stars of heaven fell unto the earth**, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

**Revelation 12:4** And his tail drew the third part of the **stars of heaven**, and did **cast them to the earth**: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

**Acts 19:35** And when the townclerk had appeased the people, he said, Ye men of Ephesus, what man is there that knoweth not how that the city of the Ephesians is a worshipper of the great goddess Diana, and of the **image which fell down from Jupiter?**

## The sun is not a star - they are different

**1 Corinthians 15:40-41**

There are also celestial bodies, and bodies terrestrial:

but the glory of the celestial is one,

and the glory of the terrestrial is another.

There is **one glory of the sun**, and another glory of the moon, and **another glory of the stars**:

for one star differeth from another star in glory.

# Book of Enoch Reference

The Book of Enoch was removed from the Bible after the days of Jesus Christ. Almost all copies were burned. Fortunately, some copies remained within the bibles of the Ethiopians, and were found by an explorer in the 1700s, who brought them back to his homeland for translation.

Enoch is mentioned several times in the Old Testament, indicating it was considered to be part of the scriptures, and parts of it even turned up in the Dead Sea scrolls. But we must remember that our scriptures are still most reliable, and if there is any discrepancy between them, the scriptures trump all.

Enoch's writings indicate that he was taken up from the earth, alive, into heaven by YHWH without dying as a physical man. While he was with angel Uriel up in heaven, he could look down upon the whole earth. In order to document it all for future generations, he was shown by Uriel how the heaven, sun, moon, stars, clouds, winds, dew and precipitation worked. He tells of windows in the heaven from which they all enter and exit. He could see the paths of the sun, moon and stars and how they travel around the earth, how the phases of the moon work, and how the seasons work.

When we read Enoch with a flat earth viewpoint, it all lines up.

**The sun and moon are the same size. The sun moves on its own chariot, and it is seven times brighter than the moon:**

Image 2 above: photographs with same focal length, taken within the same hour, with our same camera and same vantage point.

**Enoch 72:35-37** *And this is the law and the journey of the Sun and its return, as often as it returns; sixty times it returns and rises, that is the great eternal light, which for ever and ever is named the Sun. And this that rises is the great light, which is named after its appearance, as YHWH commanded.*

*And thus it rises and sets; it neither decreases, nor rests, but runs day and night in its chariot. And its light is **seven times brighter than that of the Moon but in size the two are equal.***

**Enoch 78:1-4** *And the names of the sun are the following: the first Orjares, and the second Tomas. And the moon has four names: the first name is Asonja, the second Ebla, the third Benase, and the fourth Erae. These are the two great luminaries: their circumference is like **the circumference of the heaven, and the size of the circumference of both is alike.***

It goes to follow that if the sun and the moon are the same size, as Enoch says, and appear on earth as being the same size, then they are the same distance from earth.

Enoch goes into great detail about how the sun, moon and stars move. He describes the paths that the sun and moon take, which start and end from six different portals. He describes the heaven, the stars, the firmament, and the abyss.

# FLAT EARTH MODEL EXPLAINED

The Zetetic model is the most commonly used flat model, and is the one generally accepted by the Flat Earth Society and the United Nations.

The centre is the North Pole, with the continents spread out towards the perimeter. What is known as the Northern Hemisphere is closer to the center than what is known as the southern hemisphere.

The rings around the North Pole are lines of latitude including the Arctic Circle, the Tropic of Cancer, the Equator and the Tropic of Capricorn. All along the perimeter is the Antarctic.

## The Heaven and the Sky

Covering the earth is a glass-like dome. The dome is called the firmament or Heaven.

**Job 37:18** *Hast thou with him spread out the sky, which is strong, and as a molten looking glass?*

**Genesis 1:8** *And YHWH called the firmament Heaven*

Imagine the clear glass dome on a snowglobe. Inside the firmament are the stars, the sun and moon and the sky.

**Genesis 1:14** *And YHWH said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:*

The sun and the moon, which are equal size to each other, hover on a plane parallel to the earth approximately 3,000 miles above, rotating clockwise around the center point. Some say the diameter of the sun and moon are about 27 miles as measured using a sextant. The 3,000 miles high figure has been confirmed using Eratosthenes figures.

The stars and planets also rotate within the firmament.

## The Sun & Seasons

The sun revolves clockwise in a circular path around the North Pole (center). When the sun's circular path is closest to the center, the Arctic gets daylight all day, and it is summer in the Northern Hemisphere. When the sun has a larger radius, it is summer in the Southern Hemisphere and the Arctic gets little daylight.

Circumference of the sun:

**Enoch 18:4** *I saw the winds of heaven which turn and bring the circumference of the sun*

Orbit of sun and moon:

**Enoch 41:5** *And I saw the chambers of the sun and moon, whence they proceed and whither they come again, and their glorious return, and how one is superior to the other, and their stately orbit,*

Sun and moon have a course

**Enoch 72:3,4** *...And I saw six portals in which the sun rises, and six portals in which the sun sets and the moon rises and sets in these portals, and the leaders of the stars and those whom they lead: six in the east and six in the west, and all following each other in accurately corresponding order:*

**Enoch 75:3,4** *...the sun, moon, and stars, and all the ministering creatures which make their revolution in all the chariots of the heaven.*

The radius of the sun's path changes all year.

Think of a record sitting stationary on a record player. The record has six songs. There is a single spiralling groove which takes the needle from start to finish.

The sun is thumb tack, sitting in the record groove. The tack rotates clockwise in the groove playing each song till it gets to song six. And then it goes slowly back to song one, still rotating clockwise. Each full rotation is one day, and it takes six months to get to get to song six, and another six months to return back to where it started, about 365 revolutions per year.

The start of song one represents the Tropic of Capricorn. Around the break between songs three and four is the Equator. The end of song six is the Tropic of Cancer. The center hole is the North Pole. Where is the South Pole? It is the large circle at the very outer perimeter of the record.

### December 20 Solstice Song One

On the winter solstice in December, the sun is at it largest radius hovering 3000 miles above the Tropic of Capricorn.

### March 20 Equinox Songs Three and Four

On the spring Equinox, the sun is at its medium radius, hovering 3000 miles above the Equator.

Look familiar?

**June 20 Solstice**

**Song Six**

On the summer solstice in June, the sun is at its smallest radius hovering 3000 miles above the Tropic of Cancer. It then starts increasing its radius.

**September 20**

**Songs Three and Four**

On the Autumn Equinox, the sun is at its medium radius, hovering 3000 miles above the Equator, on its way back to its largest radius, where it starts all over again.

Enoch speaks about seeing the sun rising and setting in six portals, while he was in heaven with angel Uriel. Portal One coincides with the Tropic of Capricorn, through to Portal Six which coincide with the Tropic of Cancer.

SIDE VIEW

TOP VIEW

When it is a new moon, its location is right next to the sun.

When it is full, it has lagged behind to the point where it is directly opposite the sun. So next time, in the evening, that you see a full moon rising in the East, you will find the sun is setting at around the same time right opposite the moon, in the West. And when the moon is new, it will be rising in the East around the same time as the sun, but of course you will not be able to see it.

While the sun takes 24 hours to go around once, it takes the moon 24 hours, 50 minutes and 48 seconds to go around.

**The Stars and Planets**

The stars appear to be attached to, or at least close to, the inside surface of the dome (firmament).

They are fixed in relation to each, in their constellations and positions. They rotate around Polaris, the North star which never moves.

There is no mention of planets in the bible, so they may be considered stars. They have their own paths.

Above photo: Star Finder circa 1966

**The Moon and the Months**

The moon dictates our months. (MOONths). Not the Gregorian calendar months, but the original months in the Hebrew calendar, in order to determine appointed times for feast days.

It follows the same paths as the sun, also clockwise, but at a slightly slower pace (the sun makes 28 rotations to the moon's 27 rotations). And it changes its radius or path (moves from song to song) more often than the sun.

*Enoch 74:4,5 And in certain months she (the moon) alters her settings, and in certain months she pursues her own peculiar course.*

# 7 Abominations that YHWH Hates:

Proverbs 6:16-19

- 1 A proud look
- 2 A lying tongue
- 3 Hands that shed innocent blood
- 4 An heart that deviseth wicked imaginations
- 5 Feet that be swift in running to mischief
- 6 A false witness that speaketh lies
- 7 He that soweth discord among brethren

# CONCLUSION OF PART ONE

Part One was long enough ~ we covered what the bible says about the shape of our earth, that it is round as a panckae and not round as a ball and the sun moon and stars have an orbit above it. We showed a very detailed rendering and description of the most-widely-accepted-so-far flat earth model. Next up, we will show why we need to question what we have been told and taught since we were little children in classrooms which all had earth globes in them.

We'll show you some laughable faux-pas images that NASA has passed off as photos.

We will show the faults in the ball earth model.

We'll show what you can see with your own eyes that contradicts the official story and you will wonder why you have never noticed this before.

Here's an example:

Shalom The King is Coming!

This article is subject to change as **אמת** gives me new understanding and as we advance in this diaspora.

So much has been lost and covered up over the centuries; our history, heritage, culture, and language.

He is restoring all that has been lost and all that has been kept from us, His people.

I thank him for Salvation. I thank Him for Jesus Yahshua.

All Scriptural Text is from the King James Version of the Bible.
