THE DELIGHTS OF THE SONS OF MEN

HEBREW YISRAELITES
RESTORING THE PATRIARCHAL ROOTS

ACCOUNTABILITY, REFORMATION & RESTORATION
OF THE WHOLE HOUSE OF YISRAEL, BE THEY YAHUDAH OR GREEK!

Jeremiah 8:8

How do ye say, We [are] wise,
and the law YHWH [is] with us?
Lo, certainly in vain made he [it];
the pen of the scribes [is] in vain.

INTRODUCTION

We must accept the fact that people are not interested in the Truth today. We are in the time where every man is doing that which is right in his own eyes. Men even have the audacity to actually tell YHWH what they like and don't like.

If YHWH has stated His will and men do not like it, they will do like the ancient Yisraelites did - reject YHWH's will and walk after their own counsel, ignoring the clear word of YHWH!
The rebellion is now on!

The modern day term for what is going on is 'eviscerate'. Eviscerate means to remove the entrails from, disembowel to deprive of vital or essential parts, or surgery to remove the contents of a body organ.

Biblical marriage is the beginning and foundation of life and lifestyle. It's ok for people to be objectively disagreeable, but the problem really comes when people place their own opinion above the Word of YHWH. These people do not want vigorous debate to take place.

They want the truth to stay pressed down.

Our present knowledge is not enough to take us into YHWH's glorious Kingdom. Only He can do that by His Spirit. Make no mistake about it, we know in part, and we propheceith in part, but when that which is perfect (Messiah) is come, there will be no more questions or concerns. Until this point, what we have learned was enough to get us to the place where we are today. As we continue to grow in grace and knowledge, we must take an even closer look at everything we know about YHWH and His laws.

After many years of serving Him, I understand why He gives us His truth in a progressive manner. If these truths were presented to me when I was a very young Christian, I would have thrown them up and rejected them. I was still on milk, and not meat.

Yisrael, I present you with more truth that will take us from faith to faith, and glory to glory! Always remember, truth is very painful. It makes us conform to His image. Truth demands an answer from all of us. If you are of the truth, then truth expects you to walk therein.

EVERYTHING NEEDS TO BE QUESTIONED

It's no secret that the present translations of the Hebrew Scriptures should be called into question. In this present-day society, it will take a student of the Word to understand what has been done to our minds.

Let's get straight to the point! The religion of Christianity deceived us. People are waking up every single day. They are "[Coming] Out of Her My People!"

It's a very hard hit on the mind to discover that we have been lied to about everything in this world. Many people simply cannot take it anymore. Rather than press on into the Kingdom of YHWH, they are choosing to return to a life of sin. Being sensitive and functioning after those emotions which we simply do not understand, nor have we ever challenged, is nonsensical.

The Bible is very clear. We must work out our salvation with fear and trembling. It clearly instructs us to study and search things out. We are without excuses in this world.

CHANGES ARE PROPHESED

We are watching everything change right before our eyes. The European model, and its empire, has had its run of lies. It's falling really fast. The homosexual (Adonis) agenda has gained more support from the government than ever before. It will not be long before all 50 States pass gay marriage into law.

Guess what?

There is not a thing that you can do about it! It is actually Bible prophecy coming to pass right before our very eyes.

Jeremiah 23:13

And I have seen folly in the prophets of Samaria;
they prophesied in Baal,
and caused my people Yisrael to err.

Jeremiah 23:21

I have not sent these prophets, yet they ran:
I have not spoken to them, yet they prophesied.

Yahshua said that it would be like Sodom before His return, and for sure it is.

UNDERSTANDING MARRIAGE AND THE COVENANT

Western culture has provided us with basic notions about marriage. Understanding a true Biblical Hebrew marriage is the beginning of understanding the relationship that the Father desires with His people (bride). Understanding this Covenant will help us to understand YHWH's mind, and His law, going forward.

Most people's present understanding of marriage derives more from a history of Western biblical interpretation, instead of what the Bible actually says on the subject. I am excited to be given the eyes to see. I really am excited about the next spiritual challenge we will all face.

After being presented with the truth about biblical marriage, many people have found that they can no longer walk with the King. Remember, we are all servants here to do His will, so stay the course.

Western Christianity is amazing with its pseudo or de facto forms... America, with its serial polygamy, champions itself as a righteous nation. Marriage is followed by divorce, divorce is followed by remarriage, followed by divorce, and so on. People say they are believers in the Messiah. Yet, they live in sin by committing adultery and fornication. Marriages are not sound. This American marriage model is not working! Why? Because it is not the Biblical model of marriage.

Many Americans may not be capable of completely casting aside their personal biases concerning polygyny. They can only see through the lenses of their conditioning and training. Of course, this is the reason why they cannot see simple Scriptural truths. They cannot accept the Sabbath, holiness, being set-apart, and sanctification. If they cannot accept these simple truths, how can they accept polygyny when the American culture is so against it? While the American mind rejects polygyny, Americans actually commit illegal bigamy and polygamy on a daily basis!

The Apostle Peter speaks about this lifestyle and condition as well:

II Peter 2:6-8

6 And turning the cities of Sodom and Gomorrha
into ashes condemned them with an overthrow,
making them an ensample unto those that
after should live ungodly;
7 And delivered just Lot,
vexed with the filthy conversation of the wicked:
8 (For that righteous man dwelling among them,
in seeing and hearing, vexed his righteous soul
from day to day with their unlawful deeds;)

HOW THIS STUDY CAME ABOUT

HMMMM

About two years ago, I made a joke about having eighty wives. For the most part, everyone in the assembly laughed right along with me. However, some were not laughing at all. So, the devil started working behind the scenes to affect the minds of the people.

It caused me to explore and study this subject from a Scriptural perspective. Of course, I have always believed that our ancient people, Abraham, Jacob, Moses, Solomon, and David, had it right. The list goes on and on.

There was a movement stirring behind the scenes bringing in a lot of evil spirits. The enemy was doing whatever he could to stop me from speaking on this subject! Of course, I approached this subject just like I do with all of the others. "Let's see what YHWH has to say about it!" Little did I know that He has a lot to say about it! It was more than I could have ever imagined.

COVER-UP OF THE CENTURY

What did it do for me? It gave me a greater understanding of the covenant relationship, marriage, and divorce. It was really big. My research shows me that we have, once again, been lied to. I discovered the cover-up of the century. This is just like when Christianity deceived us into believing that Sunday was the Sabbath, and many other things.

So, as my order usually is, I ask for open debates from anyone who disagrees with my stance on the subject of plural marriage called polygyny. I do this for two reasons. The first reason is to debate my cause before men. If I am wrong (maybe, just maybe, I could be), I could change my mind.

I asked, but as usual, no one stepped forward to take my offer. I went back to studying. After two years of studying this subject, I am not going to hold my breath too long waiting on someone to show me how, in their opinion, plural marriage is not Biblical.

As we press toward the Kingdom, it's time to restore this truth to our people. I see what the lies have done to us. I have come to the point where it's now time for me to start educating our people.

NOT FOR EVERYONE

Not everyone will be called to this lifestyle, if I can use the word "called" and be pure in my intent. The main reason why someone needs to speak to our community about this truth is because of the opposition that I know many will receive. Many will try to condemn wonderful brothers and sisters for choosing this Biblical lifestyle. This is a lifestyle that will preserve our people. It will bring strength from so many different perspectives. Our nation can truly be built on this solid foundation. During this year, I will do my best to provide you with all of the truth that I can concerning this subject.

This lifestyle is not for everyone. Yet, I will not stand by and watch people get attacked if they choose to live it. I will stand with you. If you are a Biblical family, you will be welcome here at Straitway. You will be received if you are a Commandment Keeper, and seek to walk in holiness.

THE MISTRANS-LIE-ATED VERSE

This newsletter is about one Bible verse. It will show you how the translators did whatever they could to hide the 'multiple wives' truth from us.

Let's take an inside look at this verse:

Ecclesiastes 2:8

I gathered me also silver and gold,
and the peculiar treasure of kings and of the provinces:
I gat me men singers and women singers,
and the delights of the sons of men,
as musical instruments, and that of all sorts.

For whatever their reason or motivation, we can clearly see that the European translators were very diligent, and I will explain as this article continues. I have come to a conclusion for the reason that the verse was translated this way. It is because all European societies preach and teach monogamy. The Bible is obviously for polygyny. It never states that polygyny is either adultery or fornication. It is clear why the Europeans are so against it.

It is amazing how they practice, what I call, "serial polygamy" all of the time in this culture. In this society people like being together without the honor of a covenant, committing to their own definition, "living in fornication."

Today, little girls are having children as early as the seventh grade. Their parents say nothing, nor are they ashamed of such things. Adults are having free sex all over this world. The decline of morality is on the rise. These people who live in fornication and commit adultery are literally amazing. How can they champion themselves as the epitome of righteousness when they are living in clear transgression of YHWH's laws?

They give themselves a pass. They even love the homosexuals, and will defend them to the death. Congressmen and women are living just like ancient Rome, where it was acceptable for a man to have a wife and a boyfriend. I do mean "boy" friend!

Today's woman has already been with many men before she decides to "settle down", and get what they call "married". She doesn't know that according to the Bible, she has already been married! And that she has broken the marriage covenant many times! Every single time a woman has laid with a man, she has either become the wife or modern-day concubine of that man!

I Corinthians 6:16

What? know ye not that he which is joined
to an harlot is one body?
for two, saith he, shall be one flesh.

These people have the audacity to make judgments against a man if he chooses to follow the Biblical model of marriage. They have even crossed the line to make themselves judges against YHWH!

YHWH has clearly spoken His will out of His own mouth. I am amazed at the attitude of these people.

If it is YHWH's law, and He has written many things about it, then it is your right to do according to His Torah. I, Pastor Dowell, am of that mindset. It's your life. You are the one who has to answer to the Father according to every deed done in your flesh.

Ok, back to the verse we are dealing with. I am telling you flat out, playing musical instruments is "NOT" the delight of men. A woman is! The translators, once again, have been caught with their hands in the proverbial cookie jar.

It seems like I can literally write a book on all of the translators' errors that have been written into the Bible.

Let me say this for clarity, I believe that the "Ruach" inspired the Prophets. Ruach means the Spirit that is Holy.

I do not believe for one second that these translators had a lick of inspiration from any spirit.

Rather, they had their own agenda.

I play instruments now. I play the drums, bass, and electric guitar. Yet nothing brings joy to my heart like the comfort of a woman.

The Strong's Exhaustive Concordance states that the "musical instruments" used in this verse were translated from:

H7705

שִׁדְדָה

shiddâh

shid-dah'

From [H7703](#); a wife (as mistress of the house):

- X all sorts, musical instrument.

What?! "A wife!" How do you translate the Hebrew word for wife into the English language as "musical instrument"? We need to start asking some very serious questions, and they should have been asked yesterday.

Do you see the importance of looking behind every single word in the English language? These Europeans have got some shady stuff going on. Before my time is up, I will expose their lies and agenda.

The Brown Driver Briggs defines shiddâh as “concubine, wife”, not “musical instrument”. Maybe because, in this society, it seems that a lot of women have been played like musical instruments. These women give themselves to any man who will lie to them, just to have sex. How many of you women have been used and abused simply because you did not choose to live your life the way that YHWH told you to?

The Modern KJV has it right:

“The luxuries of the sons of men, a wife and very many wives” (Modern KJV)

The Young’s Literal Translation also has it right:

“The luxuries of the sons of man – a wife and wives,” (Young’s Literal).

A “wife and wives” means one regular wife, and other additional wives.

I believe that the Word of YHWH is right. This is why we need to be like the Bereans. We need to search the Scriptures daily!

What is the real underlining issue here? Satan and his lying religion!

IT MUST BE DONE RIGHT

Let me say it again. According to Torah, every man cannot live this lifestyle. If he cannot meet the conditions of Torah, then he should not live this lifestyle.

It is not a requirement for anyone to have multiple wives.

Yet, if you choose to have more than one wife, you will have my blessing for whatever weight it holds.

I esteem my blessing greater than the Pope’s.

At least I am a Hebrew Israelite!

I will defend your honor and right. However, it needs to be done correctly. Polygyny is just and true. Besides, there are some good women out there who have been in some bad relationships. There are only a few good men left out there in this world who actually know how to treat a woman honorably and with love.

PROVISION FOR THE SISTERS

Polygyny is a Biblical lifestyle confirmed by the Scriptures, and commanded by YHWH.

When a woman has been abused, abandoned, neglected and forsaken by her previous husband because he refused to be the man that YHWH instructed him to be, she now has the option to join up with a family that will accept her and love her unlike she was before. Deuteronomy 24 is the provision for our sisters as well as a protection for Yisraelite men from a rebellious woman that refused to submit to her husband.

No longer does an Yisraelite sister have to settle for a poor choice of a man who is wicked!

It also provides protection for a woman who finds herself to be a widow while under three score years of age. (1 Tim 5:9)

The Scriptures give all of us the right to enjoy a happy life in this world.

YHWH SAYS

Let’s look at what YHWH Himself had to say to King David:

II Samuel 12:8

And I gave thee thy master’s house, and thy master’s wives into thy bosom, and gave thee the house of Yisrael and of Judah;

and if that had been too little,

I would moreover have given unto thee such and such things.

We have the actual mind of YHWH Himself. YHWH said to David that He would have given him more if it had been too little! More of what? His master’s wives, and anything else he would have wanted.

Why? Because David was a man after His own heart.

YHWH has spoken.

You could choose to be either single or married as long as we are obeying the rules and guidelines as set forth in Torah. If a man chooses to only be with one woman as Isaac did, so be it, it is his decision.

When an Yisraelite man sits at his dinner table, and there sits his family with him, he can actually see what our ancient Yisraelite family saw and understood.

He, at that point, understands what it means to truly be a King in his own house.

I really need to emphasize concerning our sisters.

Why settle for the imagined subjugation, exploitation and degradation of this world or even your own mind? There are entirely too many failed marriages in this evil generation, which is given over to heartache. I hope you have the ears to hear.

As for the man, he will be loved by his family. And out of some of his children, a Godly seed will follow him. And his children will teach their children the ways of the Most High, so that man can leave a solid inheritance for the children that choose to follow the Laws, Statutes and Commandments of YHWH.

UNIVERSAL ACCEPTANCE OF HOMOSEXUALITY BUT NOT POLYGyny

Why is everybody in America caving under, or knuckling under, to the Homosexual Agenda? Politicians say we need to observe tolerance. Houses and Senates all across this country are voting to legalize this lifestyle which clearly the Bible condemns and calls it an abomination. Yet when it comes to the Biblical lifestyle of plural marriage, which the Bible supports from Genesis to Revelation, madness strikes the hearts of the people!

Leviticus 20:13

**If a man also lie with mankind,
as he lieth with a woman,
both of them have committed an abomination:
they shall surely be put to death;
their blood [shall be] upon them.**

The first thing the politicians do, is talk about how anyone that is against the Homosexual Agenda is against the 1st Amendment Right of Freedom of Expression, Freedom of Religion and of course the Right to Life, Liberty and the Pursuit of Happiness. All of this applies to a certain group of people. But they all know that the Constitution is a dead document that is no longer in force in this country.

The Bible is not silent in its condemnation of homosexuality, but it is very loud concerning the acceptance of a man having more than one wife. I see clearly the Anti-Christ Agenda is rolling full steam ahead. I do not expect the seed of Japheth to embrace this Biblical truth! Even those who consider themselves bloodline descendants will opt for the Secular Government's laws against the Torah of YHWH when they are offended!

For those of us who love and believe the words of Scripture, all we have to do is wait. The Gay, Lesbian, Homosexual Agenda will blaze a path for all forms of marriage in this country. If you want to have Government State approval for recognition of Biblical marriage, go right ahead. But the truth is that the homosexuals do not care about the laws of this land, and they will still practice this abominable lifestyle regardless of the Laws! These known transgressors are the cancer and literal downfall of every society throughout history. American has run its course!

The decline is on, and the Empire is crashing.

Those of us who support what the Scriptures say, will not care what the Government says, as it is stated in the Bible:

Acts 5:29

**Then Peter and the [other] apostles answered and said,
we ought to obey YHWH rather than men.**

LIFESTYLE OF OUR FATHERS, SABBATHS IGNORED BY MANY

I have come to experience how much people hate the Most High. Biblical polygyny is the accepted approved lifestyle of our ancient fathers Abraham, Jacob, Moses, David and Solomon. Jesus was never silent condemning adultery and fornication, yet during the first century, polygyny was common practice among Yisraelites. Jesus never condemned, nor ever spoke against His Father's words about a man having more than one wife.

I understand the heartache and grief that many will experience at this truth. Just like many will not accept the commandments of YHWH by keeping the Sabbath, equally many will not accept Biblical polygyny.

This is one truth that will test the heart of all believing Yisraelites. I have watched many pass judgment on YHWH by voicing their own opinion against it. They will stand before the King on that day!

Yisraelites who love the truth do not need any approval from the State to obey YHWH. All we need is the Spirit of Truth, which we know the world cannot receive.

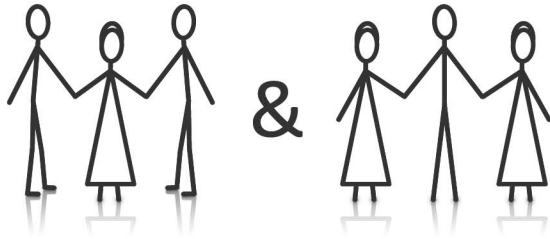

Many have fallen away. Women have taken their head coverings off and thrown them down. They have again returned to painting their faces, wearing pants and cutting their hair. They have fallen away.

I simply cannot wait for the next big bomb shell of truth to be revealed. Keep the faith. Stand Yisrael.

The Kingdom is ours!

EXPOSING LIES, UNCOMFORTABLE TRUTHS

It is my very intention to expose all lies commonly believed as truth. Christianity is being exposed for the religious lies that it represents. The subject of polygyny has received a dark stain on our minds by this false system of religion.

It is another one of those subjects that has been degraded by our Euro-centric oppressors. All of its partners, be they Messianic, Christian etc., are either unwilling or unable to address these very serious issues. They simply don't want to go there or open that can of worms, because they have made the decision as a society to reject YHWH's laws in favor of the tradition of men.

YHWH said in His Word to us Yisraelites:

Deuteronomy 30:11

For this commandment which I command thee this day, it [is] not hidden from thee, neither [is] it far off.

You cannot blame people for not wanting to discuss what they consider to be very painful subjects. But should we suppress the truth simply because we want to be politically correct, or because it is a very uncomfortable topic of discussion?

No, in honor of the truth, we support that TRUTH no matter what that truth may be. We are not here to defend the personal opinions of men or women. We are set for the defense of the Gospel and to represent YHWH's truth over man's opinion. One thing is for sure, it will NEVER be said, "Pastor Dowell is afraid of the truth!"

Some subjects in the Bible are not pleasant subjects for one living in the Twenty-First Century to contemplate, but they are all a part of the Biblical narrative.

The truth is, this subject is marginalized on purpose!

Our oppressors have redefined the truth through the use of the pen. They have inserted their own lifestyle in place of Abraham's. The Messianic and Christian movements are literally afraid that the truth of the Scriptures would severely shake up families and their youth. This truth has the capacity to grind their communities and the work of their god to a grinding halt if not stopped immediately!

Psalms 127:1

A Song of degrees for Solomon.
Except YHWH build the house,
they labour in vain that build it:
except YHWH keep the city,
the watchman waketh [but] in vain.

Their work has been in vain, because now as prophecy has said, Yisrael has been given the bread of adversity and the water of affliction! Coupled with all of the replacement theology, both of these movements have been preaching and teaching over the centuries as if they were the chosen people of YHWH. This lie is not permitted anymore, because Yisrael's teachers will not be removed into a corner anymore. The time is now for His truth to consume the whole earth! Now, those who are the real Yisrael, can clearly see their teachers and they are rejoicing. Remember we are only a few.

Isaiah 30:20

And [though] YHWH give you the bread of adversity, and the water of affliction, yet shall not thy teachers be removed into a corner any more, but thine eyes shall see thy teachers:

This truth is so powerful, even if people just hear the echoes from it, it literally stirs up anger, tension, rage and an extraordinary amount of discomfort. Only the real truth can have that kind of power. But it is also the truth that sets us free! (John 8:32).

CONCLUSION

There is not one who has read the Bible, that can deny that polygyny (the practice of a man having more than one wife) is seen within the text of Abraham, Jacob, Moses, King David and King Solomon. YHWH is restoring Biblical Patriarchy period! Many will find themselves offended at YHWH and will no longer walk with Him. They will return to their own peace and their own place of comfort.

Christianity is a good religion for the Europeans, but it's not the truth! It is the great deception that Satan has used for many centuries to deceive the people.

THE KING IS COMING!!!
