Speaking Evil and Curses

My Messiah Jesus, I am laying down my life before you as a living sacrifice to you.

I belong to you.

I bring every single word that has been spoken against me in the spirit realm before you.

First I repent for ever speaking evil of others and I ask that you please forgive me.

Jesus I ask that your blood now speak for me and be applied to me.

I am truly sorry for all negative words I have spoken against others.

Every word the devil is using against me,
that has been spoken by people or those in authority over my life.

I ask that these words be cancelled annulled
and I loose myself by the applied blood of Jesus.

I ask that your blood cleanses me from all unrighteousness.

I take full responsibility for my words and actions
and ask that you please forgive me as I have forgiven others.

Jesus I ask that all sickness and all disease be removed from me.

There is no sickness in heaven so I declare this here on earth for me
and those who I release pray for

I ask you to touch me with your healing power and heal me and remove all stain
from me Father and my Judge in Jesus name.
